**March 2020**

**Message from the President**

I recently received an "Up-Date" regarding the county directives. The "Up-Date" is a positive development that will help us continue with many of our activities. Details will be presented at our **March 10** Association General Meeting. All are invited.

Our community is what we make it. Our current board members are dedicated to making positive changes to benefit, build and support our community. Now, more than ever, we need community-minded members to volunteer. We currently need a Secretary and two (2) Ward Directors. Please volunteer and become a part of the direction of our Association.  
*Larry Walker*
